B2B Ratelist 2025

- **HVC** - High Value Client
- **MVC** - Mid Value Client
- **LVC** - Low Value Client

We focus and specialize in

- Chemistry not Micro or Histo
- Metabolism not Infection
- Disorders not Diseases
- Chronic care not Acute care
- Preventive care not Sick care

**Franchisee
Enquiries Solicited**

SARC

Offering Services At
Reagent Cost to ensure
affordability with accuracy.

PAY & USE

Negative Balance Ledger
(NBL) clients receive a 10%
cash discount (CD)

24 / 7

24/7 availability to serve
your diagnostic needs
without delay

Accredited

CAP & EIACI Accredited.
Meeting global quality
standards.

Outsourced Tests

For another 500 plus tests we offer from partner labs, visit : <https://vsoft.avmlabs.com/client/RateList/OST/Dubai>

Key Definitions :

ADT - (Average Daily Turnover) = (Average Quarterly Turnover ÷ 90)

DOS - Date of First Sample in new contract.

**Franchisee
Enquiries Solicited**

Terms & Conditions

- All clients will be in HVC by default for 90 days from DOS. Then the dynamic rate will be applicable.
- **Dynamic rates:** If ADT is : > 1000 AED - HVC / > 500 AED - MVC / < 500 AED - LVC
- Minimum Billing per sample : 2 AED • Per consignment Minimum Billing : 40 AED
- Any rate revision will be implemented only after 15 days of date of revision.
- Customers who do not pay within credit period will be auto converted into LVC.
- Customers who keep NBL (Negative Balance Ledger) will get 10% Cash Discounts (CD).
- **Payments :** Cash payments are at your own risk. Always prefer online transfers to the company account.
