

B2B Ratelist 2025

- HVC High Value Client
- MVC Mid Value Client
- LVC Low Value Client

We focus and specialize in

- Chemistry not Micro or Histo
 - Metabolism not Infection
 - Disorders not Diseases
 - Chronic care not Acute care
- Preventive care not Sick care

Franchisee Enquiries Solicited

SARC

Offering Services At Reagent Cost to ensure affordability with accuracy.

PAY & USE

Negative Balance Ledger (NBL) clients receive a 10% cash discount (CD)

24 / 7

24/7 availability to serve your diagnostic needs without delay

Accredited

CAP Accrediated.

Meeting global quality

standards.

Key Definitions:

ADT - (Average Daily Turnover) = (Average Quarterly Turnover ÷ 90)

DOS - Date of First Sample in new contract.

Terms & Conditions

- All clients will be in HVC by default for 90 days from DOS. Then the dynamic rate will be applicable.
- Dynamic rates: If ADT is: > 100 BHD HVC / > 50 BHD MVC / < 50 BHD LVC
- Minimum Billing per sample: 0.2 BHD Per consignment Minimum Billing: 4 BHD
- Any rate revision will be implemented only after 15 days of date of revision.
- Customers who do not pay within credit period will be auto converted into LVC.
- Customers who keep NBL (Negative Balance Ledger) will get 10% Cash Discounts (CD).
- Payments: Cash payments are at your own risk. Always prefer online transfers to the company account.
